**Plan****Select All**

- 
- Prescription made via eRx or OTC med recommended

- Symptomatic care (may include OTC anti-inflammatory medication, fluids, or rest).  
notes
- Follow-up as needed/ (Other Follow-up as noted.)  
notes
- Flu injection discussed; no contraindications to administration.  
notes
- Encourage plenty of clear fluids.  
notes
- Try nasal saline drops with bulb suction to help clear the nose.  
notes
- Try humidifier at night, and warm bath or steamy bathroom for symptom control.  
notes
- AAP completed; copy given to family and attached to visit.  
notes
- Once fluids are tolerated, may advance to "BRAT" diet, then eventually a routine diet.  
notes
- >50% of time in counseling and coordination of care, # minutes:
