notes

**Plan**

Select All

Family is engaged in academic and community resources to enhance personal growth, independence, and skill development

notes

- Continue yearly assessments to monitor for age-dependent potential medical complications including thyroid disease, leukemia, hearing and vision concerns.

notes

- Continue IEP with aggressive services in school and privately if needed. We can provide referrals and letters of medical necessity when needed to be able to access these services

notes

- Consider activities for personal development that interest the patient, like groups sports (Miracle League), GiGi's Playhouse, Special Olympics, art, music

notes

- Assessed patient or guardians understanding of adherence to medications

notes

- Provided information to patient or guardian (written or verbal) about new prescriptions
