D2C Plan Conjunctivitis List

Select All

Discussed causes/etiology of conjunctivitis

Warm compresses to eye using warm wet towel or warm teabag for 5 minutes three times a day

Use eye ointment as prescribed by doctor by gently opening eyelids and letting a thin ribbon of the ointment drop into inner lower eyelids

Place drops as instructed by doctor by gently opening eye lids and placing into inner lower lids

Call for any changes in vision or increased pain in eyes

Give eye rest, avoid excessive screen time

Referral to ophthalmologist for further evaluation discussed in detail

Follow up for lack of improvement or worsening symptoms
